Kenapa Swedia?

Finance in Sweden Overview

- “The financial industry is important for the economic growth and employment in Sweden. In 2022, the financial industry accounted for **4.6 percent of the total output in Sweden**, expressed as its GDP, and employed over 100,000 individuals, representing about 2 percent of the total workforce.”
- “Eight times higher unemployment rate among foreign born”
- Fiance di Sweden menjadi salah satu industri yang susah ditembus oleh professional dengan foreign-born background.
